SCIENCE IN NURSING**

NORTH PARK UNIVERSITY

Direct Entry Master of Science in Nursing

NORTH PARK'S
DEMSN PROGRAM
IS DESIGNED FOR

YOU

AND YOUR CAREER.

At North Park University's School of Nursing, you'll enjoy expert instruction and strategic health care partnerships that combine dynamic teaching with clinical best practices. With a DEMSN from North Park, you'll learn innovative methods and gain valuable field experience while earning an advanced degree and building relationships that will help you achieve your career goals.

ACCELERATED COMPLETION

Earn a Master of Science in Nursing in as few as 20 months.

THE ATTENTION YOU DESERVE

You'll enjoy a supportive and welcoming learning environment with a 1:8 faculty to student ratio.

THE EXPERIENCE YOU NEED

Through expert instruction and clinical partnerships, you'll gain valuable experience on your way to an advanced degree.

THE CAREER YOU WANT

With a DEMSN, you'll expand your career opportunities and leadership potential in your chosen health care setting.

IMPACT LIVES AS A NURSE WITH YOUR DEMSN.
