

DIRECT ENTRY MASTER OF Science in Nursing

NORTH PARK UNIVERSITY

Direct Entry Master of Science in Nursing

NORTH PARK'S DEMSN PROGRAM IS DESIGNED FOR AND YOUR CAREER.

At North Park University's School of Nursing, you'll enjoy expert instruction and strategic health care partnerships that combine dynamic teaching with clinical best practices. With a DEMSN from North Park, you'll learn innovative methods and gain valuable field experience while earning an advanced degree and building relationships that will help you achieve your career goals.

NORTH PAR school of Nursing

ACCELERATED COMPLETION

THE ATTENTION YOU DESERVE

You'll enjoy a supportive and welcoming learning environment with a 1:8 faculty to student ratio.

THE EXPERIENCE YOU NEED

Through expert instruction and clinical partnerships, you'll gain valuable experience on your way to an advanced degree.

THE CAREER YOU WANT

With a DEMSN, you'll expand your career opportunities and leadership potential in your chosen health care setting.

Earn a Master of Science in Nursing in as few as 20 months.

NORTH PARK UNIVERSITY

Direct Entry Master of Science in Nursing

IMPACT LIVES As a nurse with your demsn.

Program Information

- 68 credits of coursework and clinical practice
- Full-time Five consecutive 14-week
- semesters 612 practicum clock hours
- Earn a Master of Science in Nursing (MSN)
- •
- Preparation for the NCLEX licensure exam to become a registered nurse (RN)

Clinical Experiences

- o The Kathy J. Holmgren Nursing Simulation Laboratory
 - State-of-the-art facility provies hands-on opportunities for students in a safe environment.
 - 3,000-square feet containing the latest medical technologies
 - Four fully equipped rooms that simulate a different clinical setttings
 - Equipment includes high-fidelity patient simulation units (adults, newborn and pediatric patient) and portable electronic health record units.
